STREAMLINE VERIFY PRIVACY POLICY

This Privacy Policy covers the privacy practices of Streamline Verify and our website; <http://www.streamlineverify.com>. This privacy notice applies solely to information collected by this website, except where stated otherwise.

What information do we collect?

When you provide your information to us or by using our site, you consent to the collection, storage and use of your information by Streamline Verify. Before submitting your information to us, please read this Privacy Policy carefully. By accessing and using our Sites and Services, you are accepting the practices described herein.

We collect information from you when you fill out the contact form. When filling out the contact form on our site, you may be asked to enter your: name, company, e-mail address or phone number.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

- To Reply to any inquiries
- To improve customer service
 - Your information helps us to more effectively respond to your customer service requests and support needs.
- To send periodic emails
 - The email address you provide may be used by automated, trigger-based email campaigns to send you information, company news, updates, related product, services, respond to inquiries, and/or other requests or questions.
- To improve our website
 - We continually strive to improve our website offerings based on the information and feedback we receive from you.

Note: You have choices with regard to how your Information is collected and used. If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

No personally identifiable information is collected on this website unless that information is explicitly submitted via a fill-in form. For example, an email address submission is requested in order to Request a Quote on services.

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. We may release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or other rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

How do we protect your information?

We are committed to safeguarding the information you share with us. We implement a variety of security measures to maintain the safety of your personal information when you

enter, submit, or access your personal information. Wherever we collect sensitive information, that information is encrypted and transmitted to us in a secure way.

Your personal information is only accessible to employees who require it to perform a specific job function, such as technical support and responses to sales and billing inquiries. Violation of this online policy by an employee of Streamline Verify will result in appropriate disciplinary action, up to and including termination.

Do we use cookies?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow permissions) that enables the sites or service providers systems to recognize your browser and capture and remember certain information.

We use cookies to help us remember, understand and save your preferences for future visits and compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future. This information is collected in an anonymous form that includes no personally identifiable information.

This anonymous information generated by cookies is transmitted to Google and other search engines where it is processed to generate anonymous, aggregate reporting on website activity strictly for our site <https://www.streamlineverify.com>. These reports are used to gain insight on how best to optimize the user experience, content, and marketing at <https://www.streamlineverify.com>.

Remarketing

Cookies are also used to display remarketing advertisements, based upon the user's previous Visits to <https://www.streamlineverify.com>, across the internet.

Remarketing advertisements are displayed through Google's and other search engines display-advertisement network. Information about how you can opt out of Google's use of cookies or device identifiers can be found by visiting Google's Ads Settings page. Alternatively, you can opt out of a third-party vendor's use of cookies by visiting the Network Advertising Initiative opt-out page or control the use of device identifiers by using your device's settings.

Online Privacy Policy Only

This online privacy policy applies only to information collected through this website and not to information collected offline.

Changes to our Privacy Policy

We may update this Privacy Policy from time to time as our business practices or the law requires. Any changes to our privacy policy will be posted on this page.
